Staff Reps Sought - Liaison for PTCO's "May Carnival Days"

Superintendent Laird is seeking at least two staff members from each ISD Department or Center to serve as staff liaison team members for the ISD PTCO's "May Carnival Days".

It is the Superintendent's desire to provide all possible assistance to the PTCO to help ensure the success of this year's "May Carnival Days". He explained that in his view the annual celebration is an exciting opportunity to enhance the school's public image and generate revenue which is used to help meet student's needs.

"Let's work together to help our PTCO!"

- Eddy F. Laird, *ISD Superintendent*

Contact department supervisors for additional information on joining the staff liaison team.

Motto to Continue

ISD's Management and Consulting Teams, in cooperation with the High School Honors Class, have determined to readopt the phenomenally popular motto and its accompanying graphic (created by honors student Jed Gallimore).

"Through Unity, Identity
Through Identity, Pride"

Students felt that the art and words encompass the goals they continue to strive for.

Superintendent Laird will recommend the ISD Alumni Association consider use of the motto as a theme for the ISDAA's Sesquicentennial Celebration.

Diagnostician Training Scheduled

The Bicultural Center's MJ Bienvenu and Betty Colonomos will visit ISD in March to train 18 ASL skills diagnosticians. Workshop participants will learn how to analyze signers' ASL skills and how to fill out forms which address the linguistic properties of ASL and list the signers' strengths and areas in need of improvement. More details will be announced soon.

TENTATIVELY, diagnostic services are scheduled to begin in May. All shifts will be accommodated. More information will follow.

BIBI Thought for the Week:

"Our dedication to quality, our devotion to ASL and bilingual/bicultural education, and our commitment to our customers like yourself are uncontested. DawnSign Press is the leader in that respect."

Joe Dannis, Publisher - DawnSign Press, 1993

Indianapolis Black Deaf Advocates to Meet

A meeting of the Indianapolis Black Deaf Advocates will be held Saturday, February 27th in ISD's Raney Hall Multi-Purpose Room. The meeting, scheduled to begin at 2:30 pm, will feature special visitor David Hamilton of Washington, D.C., a participant of the first African-American Deaf Youth Conference.

The meeting agenda includes establishing goals and objectives for the IBDA for 1993, mapping a fundraising strategy for the National Conference slated to be held this year in the Virgin Islands and addressing the need to broaden awareness of the rights and responsibilities of Black Americans.

The Black Deaf Advocates grew from an idea discussed among a small group of Black Deaf D.C. area residents meeting with the Deaf Pride Board to air their concerns about underachievement, lack of leadership, and unrealized potential in the American Black Deaf Community and describe their shared experiences, ideas, and vision for the future.

From these original discussions a national organization grew with two overlapping primary missions: informing the public of the history, language, and culture of Black Deaf Americans, and advocacy - promoting participation of Black Deaf citizens in the local community.

Annual membership dues in the organization are $10. For more information please contact:

Coach Eric Mansfield expressed his pride in the team's accomplishments explaining that the group worked hard and greatly improved their performance as a unit over the course of the season. "They're the greatest team - they have true spirit!" Mansfield said.

AAD Paulone Says -

"On February 25th ISD's Junior Varsity (6:00 pm) and Varsity (7:30) Basketball Teams will play their last home games. Come out and support our athletes, and especially our seniors as they face Indianapolis Baptist in their home-court farewell."

LRC Receives DOE English/Language Arts Proficiency Guide

A companion work, "Teaching and Assessing the English/Language Arts Essential Skills," is slated for publication in the fall. Copies of the guide may be requested by contacting LRC secretary Pam Lewis, Alumni Hall Room 225, ext. 419 TTY/Voice.

Student Employee of the Week

Leticia Pugh is a second semester Cooperative Education student who began working at ***Friday's*** Restaurant at Keystone at the Crossing on January 20th. Leticia is a busser for the busy lunch shift at the popular northside spot. When interviewed for the position, manager Jeannie Sottong warned Leticia that in her ten years at the restaurant she had only met one female who had been able to handle the job...

At this point, it seems Leticia is going to be the second female to succeed as a busser under Jeannie's supervision. The staff at the restaurant is very impressed with Leticia's performance. She was recently presented a pin in the shape of a hammer for a job well done when the restaurant had had an especially busy day and she had survived being "hammered".

Leticia is responsible for setting up and clearing tables, pouring drinks, greeting customers, stocking the bus station and miscellaneous other duties. Her standard response when asked about her job - " I love it! " The entire Student Employment Program staff is proud of Leticia for her enthusiasm, hard work, and great attitude.
